

Discover innovative solutions, sophisticated details, and high-quality materials at eggersmann, even in the most unexpected places. Our storage and organization systems offer ergonomic, personalized storage concepts that seamlessly align with the timeless design of your eggersmann kitchen.

# EBX

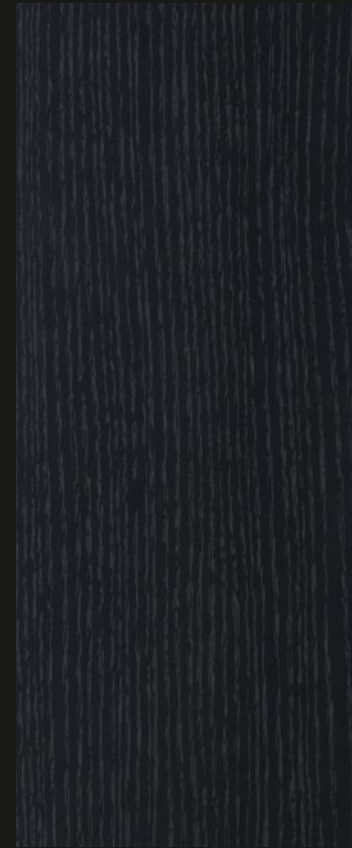

The exclusive EBX drawer system combines cutting-edge technology with a minimalist design, featuring high-quality materials.

**EBX.aluminium**  
Aluminum carbongrey

**EBX.steel**  
Steel onyx

**EBX.wood**  
Veneer Oak basaltblack

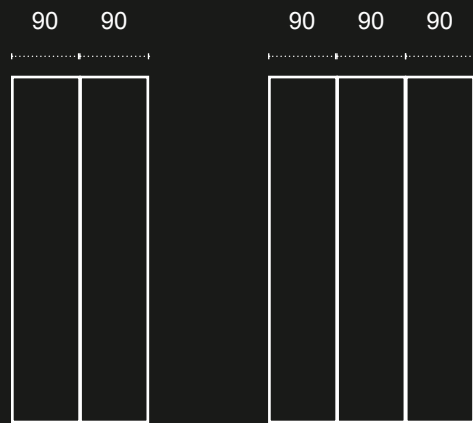

**EBX.wood**  
Veneer Pearl Oak

# boxtec

Drawers and pull-outs can be customized with our modular interior system, boxtec. Every element and material perfectly complements the EBX drawer system.

boxtec basic elements in aluminum carbongrey define the layout, individually for each drawer – available in different depths and for horizontal or vertical arrangement.
